**Former Bexar County District Attorney Sam Millsap, a Democrat,
Endorses Republican Ashley Foster for DA**

Millsap says the future of the District Attorney's Office and public safety must come before party loyalty.

SAN ANTONIO, TX — Sam Millsap, a Democrat who previously served as Bexar County Criminal District Attorney, is endorsing Republican Ashley Foster for Bexar County Criminal District Attorney, declaring that the future of the office and the safety of the community must come before partisan politics.

Millsap's endorsement underscores the importance of experienced, competent leadership and a renewed direction for the District Attorney's Office.

In announcing his endorsement, Millsap issued the following statement:

Statement of Sam Millsap

Former Bexar County Criminal District Attorney

"I am a Democrat, and I am endorsing Ashley Foster, the Republican candidate for Bexar County Criminal District Attorney.

I am making this endorsement because the future of the District Attorney's Office matters more than party loyalty. After more than forty years of watching this office and the community it serves, I believe Bexar County needs competent leadership.

This is not an endorsement of any other Republican or the Republican Party. It is about recognizing that the administration of justice and safety of Bexar County must come before politics.

I had the privilege of serving as Bexar County District Attorney more than forty years ago. I understand the responsibility that comes with that office, and I know that the District Attorney's Office does not belong to the Democratic Party or the Republican Party. It belongs to the people of Bexar County.

Today, the office faces serious challenges. We have an opportunity to restore public confidence, bring fresh leadership to the institution, and move it in a different direction.

I have not heard a convincing argument that continuing under the same party's leadership is the answer.

Ashley Foster brings substantial prosecutorial experience, a clear understanding of the criminal justice system, and the independence necessary to lead the office in a new direction.

I have spent enough years in public life to know that political loyalty should never outweigh our responsibility to the people we serve. Sometimes, doing what is right means being willing to cross party lines.

This is one of those times.

Bexar County deserves a District Attorney's Office that works for everyone, regardless of political affiliation.

That is why I am supporting Ashley Foster for Bexar County Criminal District Attorney."
